Name: Ryan Tovar

Account#: [REDACTED]

I am the co-signer on the above account. I received a delinquency notice even though my bank statement shows that a check was sent to Sallie Mae on 11/23 and posted to my bank account on 12/1. I talked to a Sallie Mae customer service rep and was asked to provide proof of payment; my bank [REDACTED] has provided the following check images as proof of payment.

This is my second attempt to get this resolved. I called today (12/27) and was told that my previous attempt (sent on 12/20) was not received even though I have a transmission confirmation report that says otherwise.

If someone needs to contact me, please either call me at [REDACTED] or send an email to [REDACTED].
